Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Raytown Chamber Building Improvements and Accessibility in fiscal year 2022.

The project sponsor for this project is the Raytown Chamber of Commerce Building Foundation, located at 5909 Raytown Trafficway, Raytown, MO 64133.

Funding will be utilized to renovate the 33-year old building, which houses the Raytown Area Chamber of Commerce and Tourism offices, and add necessary ADA accessibility at the entrance and interior. The building sits at the soon-to-be trailhead of the Rock Island Trail and interior and exterior upgrades will help improve services, resources, and visibility for those walkers and bicyclists who are utilizing the trail, as well as other visitors to the community. Once the Rock Island Trail connects to the Katy Trail, there will be over 300 miles of contiguous non-motorized recreational trail east-west across the state of Missouri.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Emanuel Cleaver, II
Member of Congress
